

# Welcome to the HJH Drama Mamas and Papas!

Thank you for lending us your kids and their talents as we put on the very best musical production possible!

Here in the HJH theatre department, we strive to live by three main standards:

1. Student learning is our top priority. It is important that we create life-long learners and lovers of the arts.
2. Academics come first. Grades must be a C- or higher in all classes to participate in plays.
3. We value all stakeholders in the theatre department equally: faculty, actors, crew, technicians, parents, and patrons.

**We cannot exist as a theatre department without our parents and patrons. In order to better understand our resources as a theatre family, please fill out the following survey. Thank you for telling us how you are willing to help!**
